---

DAV is a nonprofit that provides a lifetime of support for veterans of all generations, their families and survivors. Each year, our no-cost services help more than 1 million veterans access the benefits and health care they've earned while connecting them with meaningful employment and representing their voice on Capitol Hill. As the nation's most resourceful patriotic charity, we've focused on keeping the promise to America's veterans for more than 100 years.

On the next page, you will find a listing of volunteer opportunities in the upcoming year. We are making you aware of these opportunities and asking you to distribute this information to your students who may be interested in volunteering.

If your students are interested in any of these volunteer opportunities they can e-mail us at [vavs@dav.org](mailto:vavs@dav.org) to register. Once registered, students will be notified by email if additional volunteer opportunities become available.

DAV offers \$110,000 in scholarships annually to be used toward any accredited institution of higher learning, including universities, colleges, community colleges and vocational schools. Scholarships can be awarded to any volunteer who is age 21 or younger and has volunteered for a minimum of 100 hours through DAV or DAV Auxiliary. For more information visit [DAVscholarships.org](http://DAVscholarships.org).

Volunteer service is at the heart of the DAV's mission to keep our promise to America's veterans. DAV volunteers make a real difference in the lives of veterans, their families and survivors.

Please note that the volunteer work to be performed is subject to change, or dates and times may vary slightly. If any such changes occur, we will notify all volunteers in advance of the scheduled date.

For more information about DAV programs and services, email us or visit our website at [DAV.org](http://DAV.org).
